SRIXON®

Srixon is a brand owned by Sumitomo Rubber Industries, Ltd. Srixon offers a full range of golf clubs, golf balls, and accessories, which are distributed in nearly all major golf markets.

Srixon is dedicated to improving your game. We are a global leader in equipment and innovation, and we use our passion and expertise to develop products of the highest quality and performance that fit a wide range of players – including many of the world's top professional players.

Srixon is a registered trademark of Sumitomo Rubber Industries, Ltd.

XXIO

XXIO (pronounced zek-si-oh) is one of the world's fastest growing premium golf equipment manufacturers. With the highest quality materials and revolutionary technologies, XXIO products are painstakingly crafted for the discerning golfer with a moderate swing speed. Rather than cater to golf's most advanced players, we design golf clubs, balls, and accessories for the exclusive benefit of those who use them – our customers. XXIO engineers stop at nothing in the pursuit of excellence. The result is a family of products that helps moderate swing speed golfers increase enjoyment of the game with lower scores and better performance.

GOLF
WHERE SCORING MATTERS™

Cleveland Golf is a brand owned by SRI Sports Limited, a subsidiary of Sumitomo Rubber Industries Ltd., specialising in golf equipment. Based in Huntington Beach, California, Cleveland Golf began as a company known for producing replicas of classic golf clubs.

Roger Cleveland founded the company, which was first called Cleveland Classics, in 1979. Persimmon woods like the TC15 became very popular on Tour, as did many Cleveland wedges.

AD333 PURE WHITE

AD333

The AD333 is a premium, lower-compression golf ball that delivers the perfect balance of performance for golfers who demand exceptional distance, feel and greenside control from a 2-piece ball.

If you're a player that could use more distance and forgiveness, then the 10th Generation AD333 is what you've been waiting for.

Z STAR

The Z-STAR with next generation SpinSkin™ gives players unmatched feel and control, while the new Speed Dimple™ technology combines with the Energetic Gradient Growth™ core to deliver incredible distance.

Q STAR TOUR WHITE

Q STAR TOUR

Get the power and performance of a true tour ball, but play with a softer feel at impact. This is the all-new Q-STAR TOUR, our softest ball with tour level performance.

SOFT FEEL Man

SOFT FEEL

The Srixon Soft Feel golf ball provides even better feel on all shots, with improved greenside spin and incredible distance and accuracy from tee to green.
